

TOP 3 WAYS TO BECOME A HERO WITH PORTABLE SANITATION

3. AVOID AN OSHA HORROR STORY OF YOUR OWN

With scrutinizing eyes locked in on the construction industry in attempts to protect the environment and employee health, providing clean portable restrooms from a trusted industry leader may go a long way during your next inspection. For OSHA's interpretation on providing sanitary restrooms on construction sites [click here](#).

2. EFFICIENCY SKYROCKETS WITH ON-SITE RESTROOMS

Off site restrooms cause employees to be absent for periods of time and can really take a toll on your job site's efficiency. Watch productivity take on new levels with comfortable, clear minded employees. There are many different options for portable sanitation at your job site including portable water systems for field office trailers and hi-rise restrooms. [Learn More](#).
