Contribution Request Form

Johnny on the Spot, Inc is committed to helping our community in as many ways as possible. JOTS frequently, entirely or partially, donates time, portable restrooms and funds to several dozens of charities and special circumstances. Genuine concern makes this a special place to work and we would love to help your cause too. Please understand that all requests may not be 100% fulfilled, however, JOTS will work to establish a contribution level that is comfortable for both your cause and our company's well being.

Please fill out the following form to make your portable restroom and/or temporary fencing request. We will do our best to accommodate the request and get back to you in a timely manner. Thank you for considering JOTS!
