Client Testimonials

"Thank you and your team for delivering such outstanding service. Our family event held in July 2012 was great. I will definitely recommend you to anyone of my friends or relatives." Michelle F

"JOTS is just great. We have units stationed in various parks around town. Whether I'm speaking to someone about delivery/pick up, an invoice, or meeting a driver for a drop off, every employee is friendly & helpful. The service is efficient & they deliver what they promise. I would encourage any business to use JOTS." Toms River Recreation
