"The Celebrity Restrooms that you delivered for our party were fantastic. Our guests loved them and didn't even feel the need to go inside and use our home's restroom. Even the women were comfortable using them! Thanks again for helping make our party a success." Dominic F.

"We recently rented a Celebrity for our wedding. We were surprised that a stand alone portable restroom could be so luxurious with its flushing toilet, sink and solar lighting. Our guests loved it!" Gordon B.
