### Client Testimonials

"We were extremely happy with the service. No matter which driver was on site, the restrooms were always cleaned to perfection. I could not be happier with the professionalism and courtesy of both the office staff and drivers from Johnny on the Spot." Applehardt Builders

"We learned a long time ago that the portable restroom service is a critical part of any job site where bathroom facilities are not immediately available. When we are in need we know Johnny on the Spot is the way to go!" William P.
