Client Testimonials

“The service from JOTS for toilets and temporary fencing has always been excellent. It is both fast and easy to get same-day emergency delivery for fencing to protect property and the public when a disaster strikes.”

Guy A. - Emergency Restoration

“On 10/29-10/30/12, we experienced devastating destruction from Hurricane Sandy. With our basic life needs being destroyed, we reached out to JOTS and were greatly impressed with the speed of response & quality of your products. Thank you so much for your help.” Borough of Mantoloking
